

Inside this box are three Wax Wraps (s,m & l) that were handmade from **100% Cotton fabric, Pure OTOP Certified Beeswax, Organic Coconut Oil and Golden Tree Resin.**

Wax Wraps are a **plastic wrap alternative** used to cover salad bowls, leftovers, fruits, vegetables and much more. They shape to objects to form a tight seal.

Brighten up your fridge with our many **beautiful fabrics.** Beeswax is a **natural antibacterial** and will keep your food fresh and clean.

Wax Wraps are **reusable.** Just wash them like you do your dishes, with lukewarm water and enjoy them for up to 12 months. **Bee sustainable!**
